

TIGER TIMES

APRIL 2024

PRINCIPAL'S MESSAGE

Happy Spring, Turner Families- Welcome to our last quarter of the 2023-2024 school year! We have had a wonderful year, full of great memories and experiences for staff, students, and parents. We had our Pastries with Parents event on the last day of school before we left for Spring Break. We were so honored to have so many families attend this event, and we thank you for supporting us as we build our Tiger Community.

We have a lot of big events occurring this month at Turner. We are hosting

another inaugural event on Friday, April 12, our Barn Dance. Leading up to our dance, our students will learn several American folk dances and will demonstrate all that they have learned on Friday evening. We will also have our annual Open House on Thursday, April 25. Come by at 4:30 to grab a treat from the food trucks before going to your students' classrooms at 5:00. Classrooms will close at 6:00, and the food trucks will stay until 6:30.

We will also begin our last testing event later this month. Grades 3-6 will

begin their last district diagnostic before preparing for the California State Test in May. Kinder-2nd grade will begin their last testing cycle soon after our older grades complete their testing cycle. We are looking forward to seeing how much our students have grown this year.

As always, we thank you for your support. We couldn't do all that we do without you! Gooooooooo Tigers!

-Principal, Ms. McDannel

WE'RE SOCIAL

REMINDERS:

- Breakfast is served from 7:30-7:50 am
- Students must be in class by 8 a.m. or they will be marked tardy.
- Please call the office to report your student's absence.
- If you are picking up your student early, you **MUST** show I.D. Students will not be called out of class until you are in the office.

CLASSROOM SPOTLIGHT

This month we want to shine a spotlight on Ms. Pang's 5th/6th grade SPED class. Students started a bean plant project in January. Each student sprouted a dry bean and then they planted them into soil. The students are learning about the process of photosynthesis and what a plant requires to grow and develop. They are hoping to get the bean plant to flower by Open House.

TERRIFIC TIGER

Hi my name is Jessica Alvarado and I'm the School Psychologist. I have been working at Turner for 6 years. The best part of my job is working with students, checking in on them, and watching them grow.

FAVORITES

COLOR: Green

FOOD: I love carne asada tacos, pozole, and pho

RESTAURANT: Pad Thai Restaurant

DRINK: Boba drinks

CANDY: Anything chocolate

TRAVEL DESTINATION: I love traveling to Guatemala (Central America) to visit family and eat delicious food.
